Grant of Easement

Grantor hereby grants to Grantee a 20' wide non-exclusive utility easement (the 'Utility Easement') over the Easement Area described in Exhibit B.

The Utility Easement permits installation, operation, maintenance, repair, replacement and removal of utility lines and related appurtenances.

Restrictions

No permanent structures shall be constructed within the Utility Easement Area without the prior written consent of Grantee.

Temporary paving and striping may be permitted provided it does not materially interfere with utility operations.

Relocation

Grantor reserves a right to request relocation of the utility facilities, subject to Grantee's reasonable approval and at Grantor's sole cost and expense.

Relocation shall not unreasonably interrupt service.

Exhibit B

EXHIBIT B is attached and depicts the easement area (synthetic).

Easement Area: a strip of land along the north (or east) boundary line as depicted on the Site Plan.
